

I-5 NORTH COUNTY ENHANCEMENTS PROJECT

Westbound Lyons Ave/Pico Canyon Rd to Southbound I-5 On-ramp Full Ramp Closure

Summary

As part of the I-5 North County Enhancements Project, Metro's contractor OHLA-USA, will be making enhancements to the existing westbound Lyons Ave/Pico Canyon Rd southbound I-5 on-ramp.

Construction will take place during a 30-day long-term ramp closure. Activities will include roadway excavation, concrete and asphalt paving, electrical work, and metal beam guardrail installation.

At the completion of construction, improvements are expected to enhance traffic flow and safety, reduce congestion, and make commuting smoother.

What to Expect & Traffic Control

Prepare for a continuous, 24 hours per day, full closure of the westbound Lyons Ave/Pico Canyon Rd southbound I-5 on-ramp, beginning **Monday, October 6, 2025 to Tuesday, November 4, 2025**.

- **Detour:** Traveling westbound on Lyons Ave/Pico Canyon Rd; head north on The Old Rd, east on McBean Pkwy onto southbound I-5 on-ramp

Essential Details

- Work hours: Continuous, 24 hours per day, ramp closure from Monday, October 6, 2025 to Tuesday, November 4, 2025.
- Day and night work will take place behind k-rail.
- Night work anticipated to be completed with intermittent lane closures between 7pm and 9am.
- Speed limit within the construction zone is 55- miles per hour.

Noteworthy

Access to emergency responders will be maintained. Construction is a dynamic process. It is subject to weather conditions, and information is subject to change. Please visit the project website for the most up to date information and a weekly listing of closures scheduled.
